

# Eni Corporate University Master MEDEA 2007 | 2008

## Master in Energy and Environmental Management and Economics

The **Eni Corporate University** announces a competition for an academic course that leads to a Master's Degree in Energy and Environmental Management and Economics - MEDEA. The course is organized and managed by the **Scuola Enrico Mattei**.

The Master is offered to **Italian and foreign university graduates** that are interested in career paths within firms, authorities and other institutions operating in the energy and environmental sectors. For the Academic Year 2007-2008, the Scuola Enrico Mattei will assign a maximum of **50 scholarships**.

Three programs of the MEDEA are offered:

- **Energy Industry Economics**
- **Business Administration in Energy Industry**
- **Managing Technical Assets in Energy Industry**

The program is articulated on **three phases**, with an increasing degree of specialisation. All profiles consist of **preliminary courses**, followed by fundamental courses and by specialisation classes.

The Academic Year runs for ten months, from **September 5, 2007** through to **June 27, 2008**. Full-time attendance is required. Since courses are in Italian and in English, an intensive Italian language course for foreign students will be held during the summer of 2007. Those who have successfully completed the programme of study will be awarded a **Master's Degree in Energy and Environmental Management and Economics - MEDEA**.

### REQUIREMENTS

Admission is subject to the following requirements:

- university degree in Italy, or an equivalent academic qualification abroad, in departments of: Business Administration, Chemistry, Economics, Engineering, Geology, Industrial Chemistry, International Law, Physics and Statistics;
- Italian candidates must be under the age of 28 years and non-Italian candidates must be under the age of 32 at the beginning of the Master course;
- good knowledge of the English language.

The course, moreover, can be attended also by people autonomously chosen by the Eni Companies.

### APPLICATIONS AND SELECTIONS

The deadline for application is **March 31, 2007** for foreign citizens and **April 30, 2007** for Italian citizens.

Italian candidates will attend the final selection in San Donato Milanese (MI); non-Italian candidates in Algeri, Almaty, Ankara, Beijing, Brussels, Budapest, Cairo, Lagos, London, Luanda, Madrid, Monaco, Moscow, New York, Sao Paulo, Tripoli, or in other offices of Eni, depending on their nationality.

### FEES

Euros 25,000

### GRANTS

For successful candidates, the admission to and the enrolment in the School carry no fees. The School offers students a financial contribution for the accommodation and living expenses. Moreover, students are given free training materials and the opportunity to avail themselves of Eni canteen facilities. Finally, scholarships are provided on the basis of examination results.

San Donato Milanese, December 15, 2006
