Application procedures and deadlines

Applications must be submitted exclusively via the platform available on the University website at the following [link](#) **by no later than March 16th, 2026**.

Before submitting the application, it is necessary to pay the mandatory and non-refundable application fee of 150,00 euro, to be paid exclusively online via the link available on the platform, by the deadline of March 16th 2026.

Indication of the chosen Degree Programme

While filling out the application, candidates must select the Degree Programme, which will be binding for both admission and enrollment purposes.

Amending the application

Candidates may request to modify the chosen Degree Course and amend the information provided in the application at any time before the deadline of March 16th, 2026, by emailing ammissione@luiss.it. After March 16th 2026, it will not be possible under any circumstances to modify the said information, as it will be binding for admission and subsequent enrollment purposes.

Please note that admission will only refer to the Degree Programme specified in the last version of the application submitted, and that admission will only be valid for the 2026/2027 academic year.

All applications that do not meet the above-mentioned requirements will be automatically discarded. Applications not accompanied by one of the required certifications or with scores below the minimum required score will be automatically excluded. Candidates acknowledge that the information provided in the application is to be considered as a self-certification issued in accordance with the D.P.R. n. 445 of 28.12.2000 and subsequent amendments. Any false statements will result in an automatic annulment of the application. The final verification of information provided will be carried out during enrollment procedure. The annulment of the application does not entitle candidates to the refund of any cost.

2. Admission Criteria

Given the number of students to enroll as determined by the Competent Bodies, the Commission, at its sole and absolute discretion, will determine the admission or non admission of candidates to each degree program, taking into account the scores obtained in the certifications or the Luiss Test, the documentation submitted, and the outcome of any possible interview.

For those taking the Luiss Test, moreover, while drawing up the rankings, the Commission appointed by the Competent University Bodies will verify the recordings related to the tests taken; in the event of any violation of the Regulations and/or the Code of Conduct available on the University website, the candidate may be excluded.

Additional score for the Luiss Foundation Programme

Students enrolled in the Luiss Foundation Programme for the 2025/2026 academic year whose administrative situation is in order and that have successfully passed all first-semester course exams by December 2025, may receive an additional score applied **exclusively to their Luiss Test result**, based on their grade average as follows:

Foundation Programme Grade Average	Additional score
Between 6,00 and 7,99	+3 points

Between 8,00 and 10

+5 points

3. Results, admission conditions and modalities for booking enrollment

Candidates may verify the outcome and timeline of the selection by checking the University's website.

In case of admission, it will be considered conditional and will only be confirmed after verifying that there are no discrepancies between the declared information and that the documentation concerning the completion of the high school diploma is valid for enrolling to Italian universities.

Furthermore, for candidates admitted on the basis of their IB score, the final grade must be equal to or higher than the predicted grade declared at the time of application; otherwise, enrollment will not be possible regardless of the admission and the completed booking of the enrollment.

Foreign qualifications

Subject to the terms and conditions set forth in this Call for Application, in the case of academic qualifications awarded under a foreign education system, admission will also be conditional upon the submission of the documentation required by the Admission Office for the purpose of verifying the eligibility of the diploma for access to Bachelor's or Single Cycle Master's Degree Programmes in Italy, in accordance with current regulations.

The list of required documents and the access requirements for each diploma are published at the following [link](#).

Should the submitted documentation fail to comply with the regulations and meet the deadlines for document submission, enrollment will not be allowed under any circumstances, regardless of admission. Candidates are reminded that they are responsible for preliminarily verifying that their academic qualification is valid for access to Bachelor's and Single- Cycle Master's Degree Programmes in Italy, as well as fulfilling any obligations related to the issuance of a possible student visa and for verifying the requirements necessary for access to University in light of current regulations concerning the year of enrollment.

Booking and enrollment

Admitted students must book their enrollment **by the non-extendable deadline of April 22nd, 2026**, by paying the amount of 4,700.00 euro, which corresponds to the first installment of the annual single contribution for the 2026/2027 academic year totaling 14,000 euro, following the instructions published at the following [link](#). The amount paid is not refundable under any circumstances.

From June until July 22nd, 2026, students who have booked their enrollment must finalize it according to the procedures that will be communicated.

Failure to complete the booking of the enrollment within the deadlines established by this Call for Application for the 2026/2027 academic year will result in the admission being considered void.

Processing of Personal Data

Luiss Libera Università Internazionale degli Studi Sociali Guido Carli as Controller, collects and processes data subjects' information in full compliance with the general principles and rules laid down by the law governing the protection of personal data (Legislative Decree No. 196/2003 as amended and Regulation (EU) No 2016/679).
