or

- e. **take the Luiss Test** for non-EU or non-Schengen students, to be booked on the dates specified in the application form. The Test will be held online and remotely; the dates, format, technical requirements and rules of conduct are published online on the [following web page](#). If applying for a degree programme taught in Italian, the student is required to take the Luiss Test in Italian; Italian. Otherwise, for admission to a degree programme taught in English, the Test must be taken in English.

Candidates may only sit the Luiss Admissions Test once and for one degree programme.

Compensatory measures for candidates with SLDs or disabilities

Candidates with Specific Learning Disorders (SLDs) or with a disability recognized at 66% or above may request the assignment of compensatory measures.

The request must be made during the registration procedure for the Luiss Test. After selecting the date and time of the test, candidates may request compensatory measures by selecting the dedicated option in the application form.

The Admissions Office will subsequently request the upload of medical documentation issued on or after 1 January 2024. Failure to upload the required documentation by 10 February 2027 will result in compensatory measures not being granted.

The documentation will then be forwarded to and examined by the relevant Commission, which will assess whether to grant compensatory measures in accordance with current legislation.

If the request is approved, the Commission may authorize one or more of the following compensatory measures:

- Additional time:
 - +30% of the standard duration of the test for candidates with SLDs;
 - +50% of the standard duration of the test for candidates with disabilities;
- Use of a calculator;
- Support from a reading tutor.

The outcome of the assessment and any compensatory measures assigned will be communicated to the candidate by email from ammissione@luiss.it

Application procedure and deadlines

Applications may only be submitted via the platform available on the University's website, at the following [link](#), by **10 February 2027**.

Before submitting the application, candidates must pay the mandatory and non-refundable fee of €150.00 by 10 February 2027, exclusively online via the dedicated link on the platform.

Indication of the Degree Programme

When completing the application form, candidates must select the Bachelor's Degree Programme. This choice is binding for the purposes of admission and subsequent enrollment.

Changes to the application

Applicants may request to modify the chosen degree Programme and the information provided in the application by the deadline of 24 March 2027 by emailing ammissione@luiss.it. After the deadline, it is not possible under any circumstances to change the choice of degree Programme, as this is binding for the purposes of admission and subsequent enrollment.

It should be noted that admission will relate exclusively to the degree programme indicated in the latest version of the application submitted and will be considered valid only for the academic year 2027/2028. All applications that do not meet the above-mentioned requirements, including those lacking one of the required certifications or with scores below the minimum required, will be automatically excluded.

Candidates acknowledge that the information provided in the application is to be considered a self-certification issued in accordance with the D.P.R. n. 445 of 28.12.2000 and subsequent amendments. Any false declarations will result in the automatic annulment of the application. The final verification of the veracity of the information provided will be carried out during the enrollment process. The annulment of the application does not entitle the applicant to a refund of the fee paid.

2. Admission criteria

The Commission shall decide at its sole discretion and considering the number of places approved by the competent bodies, the international certifications scores provided or the Luiss test score, the documentation submitted and the outcome of any interview, whether to admit/not admit candidates to each degree programme.

For candidates taking the Luiss Test, when drawing up the ranking lists, the Commission, appointed by the competent bodies of the University, shall verify the recordings regarding the student's conduct during the test. In the event of a breach of the Regulations and/or the Code of Conduct published on the University's website, the candidate will be disqualified.

Additional points for the Luiss Foundation Programme

Students enrolled in the Luiss Foundation Programme for the academic year 2026/2027, who are up to date with their administrative status and who have passed all the examinations relating to the courses of the first semester by December 2026, may receive additional points on their Luiss Test result. The score is awarded based on the grade point average as follows:

Foundation Programme Grade Average	Additional points
Between 6,00 and 7,99	+3 points
Between 8,00 and 10	+5 points

3. Results, conditions of admission and procedures for reserving a place

Candidates will be able to review on the University website the modalities to consult the outcome of the selection process.

Any admission is to be considered "conditional". The conditional status will only be lifted once it has been verified that there are no discrepancies with the information provided during the application and that the upper secondary school qualification is valid for admission to Italian Universities.

Furthermore, in case of admission on the basis of the **IB predicted grade**, the final grade must confirm a score equal or higher than the predicted score presented in the application. Otherwise, it will not be possible to proceed with the enrollment, even after successfully completing the enrollment booking.

Foreign Qualifications

Subject to the terms and conditions set forth in this Call for Applications, in the case of academic qualifications awarded under a foreign education system, admission is conditional to the submission of any documentation requested by the Admissions Office to verify that the qualification meets the requirements for access to Bachelor's Degree Programmes or the Single-Cycle Master's Degree Programme in Law in Italy, in accordance with the applicable regulations.

The list of required documents and the criteria for access for each qualification are published on the following [page](#) of the University website.

If the documentation submitted does not comply with the regulations or is not submitted by the deadline, enrollment will not be permitted under any circumstances, even if admission has been granted.

Please note that it is the applicant's responsibility to check in advance that their qualification is valid for access to Bachelor's and Single-Cycle Master's Degrees in Law in Italy, and to comply with all the requirements stipulated by the relevant legislation in force and applicable to the 2027/2028 academic year of enrollment.

Booking and finalization of enrollment

Admitted students must book their enrollment by no later than 4 May 2027 by paying the sum of €5,000.00, which corresponds to the first instalment of the single annual tuition fee for the academic year 2027/2028, amounting to €15,000.00, following the instructions published on the following [page](#). The amount paid is non-refundable under any circumstances.

From June onwards, and by 22 July 2027, students who have reserved their place must finalize their enrollment in accordance with the instructions that will be communicated.

If enrollment is not booked within the deadlines set out in this Call for Applications for the academic year 2027/2028, admission will be considered void.

Processing of personal data

Luiss Libera Università Internazionale degli Studi Sociali Guido Carli as Controller, collects and processes data subjects' information in full compliance with the general principles and rules laid down by the law governing the protection of personal data (Legislative Decree No. 196/2003 as amended and Regulation (EU) No 2016/679).

The processing is required to correctly manage the procedures inherent in this Call for Applications as well as associated and ensuing obligations: the characteristics of the processing are communicated through a privacy statement given to the data subjects, who are also requested to consent to the processing of their data should it prove necessary in relation to the aims pursued by the Controller.
