Selected students will have the possibility to attend courses at the Solvay Brussels School of Economics and Management (SBS-EM) of the Université libre de Bruxelles (2026/2027) and at the Goethe University (a.y. 2027/2028) and have the credits recognized in their Luiss career at the end of the experience abroad.

Selected students will spend abroad the second and third year of the Bachelor's Degree during the a. y. 2026/2027 and 2027/2028 and will be registered in Luiss during their stay at the partner universities. They will not be required to pay additional tuition fees at the partner university, but they will continue paying fees to Luiss during the entire duration of the program.

If compliant with all universities' rules and conditions, as for credits envisaged, attendance, deadlines, academic integrity, etc., participating students will receive three degrees, which will be issued according to each university's procedures.

During the mobility, students will be subject to the rules of SBS-EM (second year) and Goethe (third year) for all matters related to their academic life.

Selected students are required to read and understand the Student's Handbook, including the Study Plan and the Program Rules. These rules are to be considered binding to the successful completion of the program. Once selected, students are required to carefully read and sign the General Understanding.

Students selected for the Triple Degree program are required to follow the study plan which corresponds to the student's mobility year. The study plan will be provided in due course by International Degree Programs. Please note that study plans are reviewed periodically, and changes might occur to reflect the academic offering of both universities.

Selected students will be required to take all credits listed in the study plan in each academic year at the university where she or he is studying within the academic year (excluding the retake session in August/September). Failure to do so implies withdrawal from the program and return to their home institution, which can recognize credits taken abroad at their own discretion according to its own procedures and policies.

Students are not eligible for graduation at Luiss in the Summer Session 2027/2028 (July). Therefore, the earliest graduation session will be in Autumn 2027/2028 (October/November).

All expenses related to the participation in the program, notably transport to and from the host universities, accommodation and food, administrative expenses, costs associated with securing a visa, medical/health/accident insurance, books, application fees or deposits, and personal expenses, as well as the regional tax and the graduation fee every year, will be borne by students. Furthermore, students must comply with all the regulations of all universities to obtain the three Degrees.

Selected students are eligible for an Erasmus+ grant for one academic year and for University funds for another academic year. The allocation of the grant will depend on the annual fund for Erasmus+ available to the European Commission. Further information on the topic will be shared with students in the summer period (Summer 2026).

During the year of studies at Goethe, students are required to pay a contribution to the student service association "Studentwerk" and the obligatory semester ticket for local and regional public transport (approximately 300€ per semester).

Students can request on-campus housing and/or board at SBS-EM and Goethe on a space-available basis. If on-campus housing cannot be arranged for students, SBS-EM and Goethe will not be obligated to assist with securing off-campus housing.

During the mobility and prior to it, selected students must comply with all regulations in force in Belgium and Germany in terms of health and safety, immigration, unexpected events or others.

While every effort will be made to provide students with complete, accurate and timely information, Luiss reserves the right to change, amend, modify, or revoke the program. Luiss is not responsible for any cancellation or modification due to events beyond its control. If the program is cancelled or modified for these reasons, Luiss will inform all interested students in a timely manner.
