

Business and Management and Law

Since 2015/2016 a.y. the **final language qualification** is conditional upon reaching, at the end of the third year of studies, the **minimum level** expected.

The **entry level** refers to the level achieved as a result of the assessment test, which is to be confirmed at the end of the first semester attended.

The **exit level** is defined as the minimum level a student is expected to reach at the end of the course. Reaching the set goal before the end of the last semester does not exempt a student from attending courses
