4	Mario <b>Miozza</b>	ESR	WP2 - Digitalisation for Sustainability: Governance and Society	Research and Information System for Developing Countries, New Delhi, India - RIS	<b>09/10/2023</b>	<b>2</b>

5	Michele <b>Chierici</b>	ESR	WP2 - Digitalisation for Sustainability: Governance and Society	Fundação Getulio Vargas, Rio de Janeiro, Brasile – FGV	<b>27/01/2024</b>	<b>1</b>
6	Manfredi <b>Valeriani*</b>	ER	WP2 - Digitalisation for Sustainability: Governance and Society	Stellenbosch University, Stellenbosch, South Africa-SU	<b>01/01/2024</b>	<b>2</b>
7	Carolina <b>Polito</b>	ESR	WP3 - Digitalisation for Sustainability: Economy and Environment	Stellenbosch University, Stellenbosch, South Africa-SU	<b>08/01/2024</b>	<b>2</b>
8	Aldo <b>Pardi</b>	ESR	WP3 - Digitalisation for Sustainability: Economy and Environment	Stellenbosch University, Stellenbosch, South Africa-SU	<b>02/03/2024</b>	<b>1</b>

\*The researcher Manfredi Valeriani is admitted with reserve.

The Evaluation Committee, as foreseen in the Call for mobility grants (Outgoing secondments) - YEAR 2023, has decided not to proceed with the interview.

The present communication constitutes a notification of the result of the evaluation of the applications received in the framework of the action PRODIGEES - Promoting Research on Digitalisation in Emerging Powers and Europe Towards Sustainable Development – Grant Agreement No 873119, CUP: I45F20000440006, for all purposes.

After the publication of the results of the evaluation, all researchers will be informed by e-mail, about the scientific and administrative representatives of the host (partner) institution to plan their mobility period at both technical-scientific and organizational-logistical levels, in agreement with them and consistently with their effective availability to host them during the expected period of secondment, at their respective headquarters.

The researcher Manfredi Valeriani will be informed about the reason of his admission with reserve, too.

Rome, 13/06/2023
