REQUEST

to be admitted to attend one of the interdepartmental language courses - on Saturdays - as an additional course with no credits. The language chosen is _____

To this aim I also declare:

- to be registered in the _____ year of the program in _____
- to be in order with previous exams
- to be in possession of a weighted average not lower than 27/30
- to be in possession of a basic intermediate advanced - knowledge of the language chosen

To this end, on the basis of Academic Senate resolution, I declare to be aware of the following conditions:

- attendance may be granted for a minimum of two and up to a maximum of three semesters
- in case of attendance less than 50% observed during one semester of the course, enrollment will be revoked. The final language qualification is therefore subordinate to positive attendance for all semesters of the course
- the language chosen as an additional course must be different from potential mandatory and/or optional languages already included in the study plan
- students taking courses without credit are still required to follow registration guidelines, in consideration of the time schedule for each Department, that apply to for-credit students
- verification of non-overlap between the additional language course chosen and potential other activities is the responsibility of the student.

This request is meant to be accepted only if student receives on his LUISS account - name.surname@studenti.luiss.it - a confirmation e-mail by cla@luiss.it with all information and details related to the course.
